

Announcing the only 10 year warranty in truckmount history.

Beginning on our 30th anniversary, September 1, 2009, every new Butler System will be warranted for 10 years. The Butler System's 10-Year Warranty is provided at no additional cost, does not limit machine hours and may be transferred at no charge. Warranty coverage includes all major components: the Shaft-Drive System, High Pressure Pump, Detergent Injection System, Vacuum/Blower, Heat Exchanger, Fresh Water Holding Tank, Recovery Tank, Vacuum Hose Reel, Pressure Hose Reel, Holders, Racks, Trays and Shelving, etc.

No other truckmount is simpler to operate, more reliable, easier to maintain, lasts longer, demands a higher resale value, is sold with a "Buy-Back Guarantee" or is manufactured to a higher standard than the Butler System....none!
