DISCLAIMER OF LIABILITY					
One should always use chemicals with an awareness of the potential hazard (known and unknown) of their effect on the human					
system. We urge users to minimize employee exposure to all chemicals, including this product, and to keep the level of exposure					
commensurate with good industrial hygiene practices.					
The manufacturer and seller warrant that this product conforms to its standard specifications when used according to directions.					
As the conditions or methods of use are beyond our control, we do not assume any responsibility and expressly disclaim any liability					
for use of this product. Information contained herein is believed to be true and accurate but all statements or suggestions are made					
without any warranty, expressed or implied, regarding accuracy of the information. The hazards connected with the use of the					
material and the results to be obtained from the use thereof.
